On October 29th, 2010, Stephen S. Fenstemaker II, was killed in a car accident while a student at Miami University. Stephen was a 2010 graduate of Jackson High School. As a student at Miami U., Stephen was majoring in math and statistics. To honor our son, we have created a Math Scholarship at Jackson and a Math/Science Scholarship at Louisville. Stephen was very active in both communities. Though he grew up in Jackson, he swam for the Louisville YMCA and was a soccer referee in the Louisville community. We will have a 5k race on October 19th, 2019. The race will begin and end at the Paul & Carol David YMCA of Jackson Township and will be run in conjunction with the Jackson "Unity in the Community Pancake Breakfast".

All proceeds from the 2019 run will fund two memorial scholarships. The awards from last year's race, benefiting both Jackson and Louisville high schools, totaled \$8,500. Stephen was generous to all and in keeping with his life philosophy, the scholarships are needs based.

A Huge Thank You to this year's Sponsors! We couldn't do it without you!
